November 2024 Updates

August 31, 2024 Updates

August 15, 2024 Updates

TIPS:

- **It is the teacher's responsibility to check updates before assigning repertoire. VIVACE will always be the "gold standard" for accuracy. Check Vivace for the latest updates.**
- Contents are in Bulletin Section order by page. Rules are in blue.
- Please note: At the time the Bulletin went to press, all pieces and publishers were accurate.
- Some pieces may also be available (either digitally or hard copy) in other collections or as sheet music. As long as the other piece is IDENTICAL to the listed piece, it is acceptable. This applies to ALL events.
- **Please note: If pieces were in a different class in a previous Bulletin, they have been restored to that class.**
- **If any publication goes out of print, the piece will remain on the required list to accommodate those who have previously purchased the piece.**

GENERAL RULES

p. xiv, #3	CHOICE OF MATERIAL	<u>Clarification:</u> Required pieces must be taken from this <i>Bulletin</i> unless the event does not have a required music list.
p. xiv, #10	CHOICE OF MATERIAL	<u>Complete sentence:</u> Only one (1) movement of a multi-movement work will be considered as a choice selection. Theme and variations compositions <i>are not</i> acceptable as choice pieces.
p. xiv-xv, #1	ENSEMBLE EVENTS	<u>Clarification:</u> Teachers are not allowed to be a partner except for Elementary Class in the Fiddling Duet event.
p. xvi, #5	ADJUDICATION	<u>Clarification:</u> Teachers are not allowed...
p. xviii	COMPOSERS	<u>Clarification:</u> Heading should read—Points Based on Junior Composers Event Ratings.
p. xviii	COMBINING	<u>Correction:</u> Event-combining possibilities are Brass, Guitar, Organ, Piano, String, and Woodwind, not Chamber or Percussion which may alternate.

FEDERATION CUP AWARD PLAN

p. xix	COMBINING POINTS	See Musical Theatre and Art Song charts at the end of this document for corrected point values seen in red.
--------	------------------	---

p. xx	ALTERNATING	<u>Correction:</u> An additional option for accruing points is alternating! Alternating allows a student to <i>continue a sequence</i> of Superior ratings or <i>continue point accumulation</i> when opting to play a secondary instrument or enter a different event within a Bulletin section in different Festival years.	
p. xx	ALTERNATING	<u>Clarification:</u> It is permissible to select the “Alternating” option the <i>first year</i> of an entrant’s participation. This information is permanently stored in Vivace and will allow Vivace to correctly calculate points if the entrant decides to alternate in future years.
